

Features for You – Townhomes

It's All About the Location

- A quick walk to Willoughby Town Centre gives you everything you need for everyday living. Enjoy the convenience of a grocery store and fresh produce market, restaurants, coffee shop, bookstore, yoga studio and all things in between, 5 minutes from your front door!
- The best of Langley in every direction. Oakley is central to it all, from Costco and Big Box retailers in Willowbrook, to the rustic appeal of local wineries and Fort Langley.
- A commuter's dream with local bus stops, access to the highway within a 10-minute drive and nearby access to Carvolth Exchange Park & Ride and Langley's future SkyTrain station
- So many ways to have fun! Pet lovers will appreciate the newly expanded Yorkson Community Park with off-leash dog run and softball fields. Cheer on your favourite sports teams at the Langley Events Centre and soccer turfs or book your court at The Tennis Centre.
- Live within minutes of top-rated schools! Walking distance to Donna Gabriel Robins Elementary and less than a 10-minute drive from R.E. Mountain Secondary School, offering the International Baccalaureate Program (IB)

Unique Exterior Features

- Set back from busy roads with a small community feel, Oakley is a unique offering of townhomes and single-family homes masterfully crafted for functionality and minimal maintenance
- Classic and traditional architectural style with a combination of brick and Hardie plank siding offer serious curb appeal
- Multi-panel windows, attractive trim and shutter details are those perfect finishing touches!
- Street-facing elevations including direct pedestrian access to the front sidewalk
- Lane access, enclosed garages with every home and parking for 2 to 4 vehicles*

- Designed with six professionally coordinated exterior schemes to add long-term value
- Landscaped outdoor amenity space designed for children and parents to relax and connect with friends and neighbours
- Ample visitor parking for guests

Interior Designs that Make You Feel at Home

- Two professionally curated interior color palettes by The Collaborative Design Studio:
Evergreen – soft green accents used throughout the home for a subtle touch of colour
Oak – a classic contrast of light and dark neutrals for a contemporary feel
- Durable laminate flooring throughout the main living area with cozy carpeting up stair treading and bedrooms
- 2-inch faux-wood blinds included throughout
- Recessed pot lighting throughout main floor, with surface mount lighting in hallways and bedrooms
- Upgraded melamine shelving in the primary bedroom closets as standard
- Full size front load washer and dryer machines with VRT Plus technology to reduce sound and vibration

Cook & Socialize

- Stunning oversized 9-foot long kitchen islands creating ample space for food preparation and socializing*
- Modern pendant light fixtures above the kitchen islands create ample task lighting
- Elegant quartz countertops and flat paneled cabinetry throughout the kitchen for durability and ease of clean
- Soft-Close doors and drawers with added pantry to store essential cooking supplies and ingredients
- Porcelain tile backsplash modernly designed with a gloss finish for added stain protection

- Under-cabinet puck lighting provides a useful and ambient glow
- Large single basin stainless steel sink and high arch pull down faucet to effectively hand wash everything from large pots and pans to those family sized party platters
- Samsung Stainless Steel appliance package with every home including a gas range stove
- Panasonic microwave with trim kit

Sparkling Clean Bathrooms

- Main floor powder room for daily living convenience, featuring textured floor tiles for added design
- Frameless glass walk-in shower with stunning feature wall showcasing hand scraped textured tile in ensuite
- Durable porcelain floor tile with a marble texture and a unique honeycomb design in the main bathroom
- Dual undermount sinks in the ensuite and quartz counters in all bathrooms
- Tranquil deep soaker tub with skirt in the main bathroom suited for relaxing spa-like bath nights and practical for everyday bath time for the kids
- Modern vanity bar lighting in every bathroom
- Chrome bathroom accessories

Additional Features for You

- Gas BBQ hookup off of the main floor patio included
- 9-foot high ceilings on the main level gives you that sense of space, air and light
- Roughed in EV charging outlets
- Central forced air heating
- High efficiency hot water tank*
- Telus Welcome Home package with instant savings on your first two years of internet and/or cable bills
